

# ASLAN MagicPro Cleaner

## Gel for removing paints and varnishes

ASLAN MagicPro Cleaner is a highly effective cleaning gel made from biodegradable components. It removes paints and varnishes quickly and in an environmentally friendly manner. It is primarily used for the easy cleaning of MagicProtect Matt ASLAN SL 99 when it is applied to rough surfaces

The cleaning gel has a mild odour and is free from methylene chloride and aromatic hydrocarbons. ASLAN MagicPro Cleaner works quickly and is safe to use.

For further information or questions regarding special applications please contact our technical advisory service: **+49 2204.708-80**

## Chemical characteristics

<b>Compounds:</b>	Mixture of solvents and esters (based on natural acids), detergents and thickeners
<b>Labelling:</b>	This product is not Hazardous.  Labelling according to Regulation (EC) No 1272/ 2008 [CLP].  Special provisions for supplementary labelling elements for certain mixtures EUH210.

## Processing

For cleaning on rough surfaces, use ASLAN MagicPro Cleaner to dissolve the paint from depressions.

Brush a thin layer of ASLAN MagicPro Cleaner onto the graffiti and let it work for about two minutes. Rub the cleaner into the graffiti or paint with a cloth or brush until all depressions are thoroughly wet. Then rinse the graffiti with water and a wet microfibre cloth. Repeat the process if the graffiti is very dirty.

## State 9|2021

All technical data and advice is based on our experience and measured testing that we believe to be reliable. It remains the customer's responsibility to test the suitability of our products for the intended purpose.

The quality of our products is regularly examined, upgraded and developed. We take the right, without prior notice, to adjust, upgrade and improve the chemical structures or physical characteristics of our products in accordance with our latest knowledge.
