

WHEN THINGS GET A LITTLE WILDER... **MONSTERLAM ASLAN SL 05**

THE NEW MONSTER-STRONG PROTECTIVE LAMINATE FROM ASLAN

Resistant to solvent vapors and lubricating oil

High gloss and abrasion-resistant

Special protection against stone chipping

Hard-wearing/impact-resistant and robust

ADVANTAGES:

- durable, 12 mil, high gloss protective film
- highly transparent finish
- perfect combination of thick protective film and great clarity
- hard-wearing/impact and abrasion-resistant/robust
- solvent-free ultra tack adhesive system, with high adhesion to the substrate
- compatible as a laminate to all common printing systems including UV curable inks

Robust. Resilient. Heavy duty. ASLAN has an extensive portfolio for the toughest of applications, including this functional laminate with a monstrous solution:

MonsterLAM ASLAN SL 05 – a particularly strong 12 mil laminate film, that offers protection of digital prints under the most adverse of conditions. Unbeatable wherever conventional laminates are not sufficient, such as Motocross, off-road vehicles and heavy-duty machines.

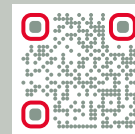

CHARACTERISTICS	MonsterLAM ASLAN SL 05
 FACE FILM	special PVC, glossy, clear
 THICKNESS	12 mil
 ADHESIVE	permanent, high-tack
 SUITABLE FOR	all common printing systems including UV curable inks
 SURFACE	smooth and slightly curved surfaces
 OUTDOOR DURABILITY	up to 2 years
 APPLICATION TEMPERATURE	can be applied in combination with DFP 05 from 14° F
 DIMENSIONS	48" x 27,34 yds.

APPLICATION

Gives special protection against stone chipping and high mechanical abrasion on flat and slightly curved surfaces for short and medium-term applications such as

- Motocross
- Snowcross, Skidoo, Snowboard
- Jet Ski
- Mountainbikes, BMX, Dirt Bikes
- Racing and off-road vehicles
- Applications such as off-road vehicles, construction and agricultural machinery
- Industrial applications requiring special impact/abrasion resistance
