ASLAN®
EXPERTISE IN SELF-ADHESIVE FILMS

MATTE. CLASSY. DURABLE.
MetalMatt AntiScratch ASLAN SE 80

HIGH-CLASS METALLIC APPEARANCE FOR PREMIUM BRAND PRESENTATIONS

ADVANTAGES

- Classy matte metallic surface in Silver, Gold, Rose Gold and Copper, four additional effects from 550 yards linear
- Highly scratch-resistant special coating for high-touch areas
- Double-sided metallic effect on glass: classy matte on the front, glossy on the adhesive side
- PVC-free, plastiziser-free, REACH-compliant
- No shrinkage, stable material thickness of approx. 2.4 mil
- Residue-free removal from glass and metal
- Outdoor durability up to 2 years
- Low-reflective finish

MetalMatt AntiScratch ASLAN SE 80 is a PVC-free self-adhesive polyester film with a classy matte metallic appearance for calm, modern premium surfaces. Its silky matte metallic look reduces reflections, creates a high-quality appearance and remains durable even under intensive use. Ideal for sophisticated brand presentations in high-traffic areas.

As a subtle premium-effect film, MetalMatt AntiScratch ASLAN SE 80 combines understated elegance with durability. It combines a calm, classy metallic appearance with high scratch resistance, making it particularly suitable for applications where aesthetics and robustness are equally important.
